FISCAL NOTE

HB 413

January 25, 2023

SUMMARY OF BILL: Specifies that the four years of qualifying full-time professional experience required, in lieu of a bachelor's degree, to be a probation and parole officer may include experience in law enforcement or service in any branch of the United States armed forces.

FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- Pursuant to Tenn. Code Ann. § 40-28-604, a person is required to have a bachelor's degree from an accredited college or university or had at least four years of qualifying full-time professional experience in order to be eligible for the position of probation and parole officer.
- Specifying that qualifying full-time experience includes law enforcement or service in any branch of the United States armed forces will not result in an increase in the number of probation and parole officers the Department of Correction is authorized to employ; therefore, any fiscal impact to state government is estimated to be not significant.
